

Canadian 5 Pin Bowlers' Association

Coach Development Policy

The Canadian 5 Pin Bowlers' Association has approved the following procedure for Coaches progressing through the new NCCP Competition Introduction coaching program:

"In order to allow for practical experience, there will be a period of six (6) months between completion of the Community Sport Initiation (Community Coach) workshop and eligibility to move to the next context of Competition Introduction (Competitive Coach). Once the Competitive Coach context is complete there will be a period of three (3) months before the coach is eligible to submit the portfolio for evaluation."

This chart provides an example:

Context	Eligibility	Date Completed
Community Coach	N/A	March 14, 2010
Competitive Coach	September 14, 2010	October 17, 2010
