Master Bowlers' Association of Alberta January 2021

Dear Fellow Master Bowlers,

We hope that we find that you are still keeping well and safe. The end might be in sight and we might be able to get back to bowling. As Debbie Boswell said, "I like the idea of still being able to get out and bowl even though it doesn't lead to a National. Just nice to have some kind of normal life if you know what I mean."

The Board of Directors held a Zoom meeting on the January 9. We have put together our best hope of how we can continue this season. All these plans are contingent on AHS regulations and recommendations.

Please stay well and be safe.

Brian Rossetti – President Master Bowlers Association of Alberta
